The screenshot shows a WeChat meeting interface. The main content is a presentation slide with a blue background and white text. The slide title is "(三) 药物的剂型" (Three) Drug Formulations. The main text on the slide reads: "剂型是指根据医疗、预防等的需要，将药物加工制成具有一定规格、一定形态而有效成分不变，以便使用、运输和保存的形式。" (Formulation refers to the process of processing drugs into a specific specification and form according to the needs of medical treatment and prevention, while the effective ingredients remain unchanged, in order to facilitate use, transport, and storage.)

The interface includes a top navigation bar with "腾讯会议" (Tencent Meeting) and "腾讯会议电脑版" (Tencent Meeting PC Version). On the right side, there is a "腾讯会议" (Tencent Meeting) control panel showing a "讨论" (Discussion) window with a "58%" participation rate and a "41°C" temperature indicator. Below this, there are chat messages from participants: "请设置" (Please set), "陈建忠", "刘宇" (Liu Yu), and "陈建忠". At the bottom of the screen, there is a system taskbar showing the date "2024年9月25日 星期三" (September 25, 2024, Wednesday) and the time "10:09:29". The bottom right corner of the slide features the text "聊城大学农学院动物药" (Liaocheng University College of Animal Medicine).
